Dear Sir:

Subject to the approval of the Trademark Trial and Appeal Board, the parties, by their respective counsel, hereby stipulate and agree that the period of time allowed for Respondent to file an Answer to the Petition to Cancel, which now expires April 5, 2000, shall be extended sixty (60) days to expire June 5, 2000. **Re: Reconstruction of File for Trademark Registration No. 1,519,950 and Reconstruction of
File for Cancellation No. 29,982**

Dear Ms. Omelka:

Pursuant to our telephone conversation, you have advised that the file for Cancellation No. 29,982 in which judgment was entered against the Petitioner to cancel applicant's U.S. Trademark Registration No. 1,519,950 is lost and that the cancellation file included applicant's file for Registration No. 1,519,950 for the mark SHREDDER. You have requested copies from the applicant's files in order to reconstruct the subject files in the Trademark Office. Enclosed are the following:

1. Photocopies of applicant's application for the trademark SHREDDER extending through acceptance of applicant's Sec. 8 & 15.
2. Photocopy of applicant's file commencing with Petition of Cancellation, extending through entry of judgment to cancel the Petition on January 31, 2002.

Please take the appropriate action to reconstruct the files and to update information in the Trademark TARR database, which incorrectly indicates that a cancellation proceeding is now pending.

If you have any questions, please call me at 203-597-5116. Thank you.

Yours very truly,

William C. Crutcher
